NATIONAL POULTRY IMPROVEMENT PLAN – APPLICATION

Issued under the provisions of section ATCP 10.41, Wis. Admin. Code

This application shall be used to apply for enrollment in the National Poultry Improvement Plan. The applicant with a breeder flock must conduct appropriate surveillance testing. **The test report must accompany this application.** Applicants applying for an affiliate flock (all birds purchased from an NPIP source) must include a copy of a VS form 9-3 or an invoice as proof that birds were purchased from NPIP sources. **The applicant must include a nonrefundable check payable to *WDATCP – Division of Animal Health* for the appropriate fee listed below. Mail the completed application, check, VS Form 9-2 test report (if applicable) and supporting documents to the above address.**

Bird Type				
Please check bird type				
<input type="checkbox"/> Egg Type Chickens	<input type="checkbox"/> Meat Type Chickens	<input type="checkbox"/> Waterfowl, Exhibition Poultry & Game Birds	<input type="checkbox"/> Turkeys	<input type="checkbox"/> Ostrich (Ratites)
Dates you will be hatching (if applicable)		Hatching capacity (if applicable)		
All Breeds or Strains Handled (use back of application if necessary)	Supplier of Purchased Birds or Eggs (include copy of VS 9-3, if applicable)		Number of Breeders	

I agree, as provided in the plan, to:

- Comply with the NPIP rules and regulations outlined in the National Poultry Improvement Plan and Auxillary Provisions and the Wisconsin Administrative Code s. ATCP 10.41.
- Maintain acceptable hatchery and flock sanitation and allow department inspection once a year.
- Purchase or receive only NPIP products.

Records for the Wisconsin NPIP will be kept on a fiscal year basis (July 1 – June 30 of following year). All documents, inspection records and fees must reach this office before a certificate will be issued.
