Greetings!

See below for important updates, reminders, and reviews regarding the Wisconsin Johne's Disease Control Program.

2011 Producer Reimbursement

2011 Invoices

Due to variations in reimbursement funding cycle, invoices for Johne's related costs incurred January 1, 2011 to June 30, 2011 need to be submitted by **June 30, 2011** to ensure payment for those charges.

Producers will receive notification concerning these dates directly. If you submit invoices for your clients, please send them in as services are performed or encourage your clients to do so.

Johne's Disease Online Services Online RAMP Renewals Available

Johne's online RAMP renewals are again available through Johne's Disease Online Services.

We very much appreciate your patience as we have worked to correct and improve this service.

You now have the ability to save the RAMP and return to it online if you cannot complete it all at one time. You will find the option to save the RAMP at the bottom of the online form.

In addition to renewing RAMPS, you can still submit split herd testing plans and Johne's disease vaccination records online. You can also view Johne's disease records for your own certifications or services you have provided to your clients.

Please feel free to contact us at DATCPJohnes@wi.gov or 608-224-4893 with any questions about the Wisconsin Johne's Disease Control Program or suggestions for future newsletters.

Sincerely,

Wisconsin Johne's Team
