Wisconsin's Nutrient Management Software

2015 Farmer Training Manuals

For 2015, there is a single training manual — the farmer version. A separate 'trainer' packet is available, which can be inserted into the binder. Requests for training manuals need to be submitted by:

September 25, 2015.

Please note that orders exceeding 40 manuals may incur an added charge. Manuals are provided for farmer training free of cost, but while ordering please keep in mind, they are costly to produce.

Please email the NPM Program with your request at
